1974 CRESCENT Dedication

To this man, who has taught us many things from Economic to Politics, from banking to fun; but more important he has helped us become better prepared for the road of life; and because of these things, we, the Senior Class of 1974, dedicate the '74 CRESCENT to Donald Teffner.

"It's for real."

Class of '74

Jackie Curry and Wilbur Dyer, Class Speakers, recall last 12 years and look to the future.

June 9, 1974 dawned very warm and cloudy. It was the red-letter day for the Senior Class of 1974. Graduation was only hours away; that time that had been awaited for 12 long years.

At three o'clock, 107 seniors wearing maroon and ivory caps and gowns entered the Crestview High School gymnasium for the final time as a class to receive their diplomas. Gold honor/cords hung from seventeen of the students who were recognized for having achieved scholastic honors during their high school days.

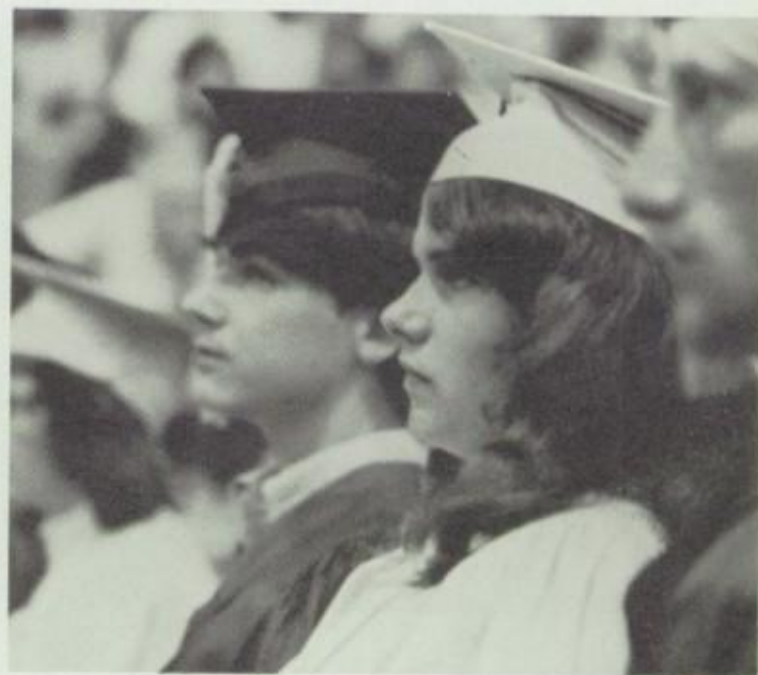

Rev. Charles Ready presented the class sermon and Dr. Siders had been chosen as the class speaker. Dr. Bailey, principal, presented the class for graduation and Mr. Voy Harmon, president of the Crestview Board of Education, gave them congratulations and their diplomas.

The Class of '74 enjoyed their moments during the Crestview days and learned they could lean on each other. Their class song, "Lean on Me", reflected this thought.

Renee Hartsel receives diploma from Mr. Voy Harmon, President of the Board.

Class exhorts audience to "Lean on Me" as they sing their class song.

Mike Shepherd and Johann Thompson listen to class speakers.

John Barker receives the congratulations of Mr. Harmon.

Cross Country Team Trains Hard

Coaches love to work with a team where each member sets high goals and is willing to work and train year round to accomplish their goals. This year's Cross Country team did just this. Their numerous accomplishments were directly attributed to their drive to succeed and their willingness to strive toward their goals.

With this approach to life, there is no doubt that the members of this team will leave a trail of many successes throughout their lives.

I wish them the best,

Coach Forrest Pruner

Crestview Football - 1973

The 1973 football season was the most enjoyable year in football I've ever had. The praise should go to the young men that made it possible, the 1973 Crestview Cougars.

These young men had the best record in Crestview's history, five wins and five losses. They also ended up first in the area in defense, and first offensively, point comparison wise. They also set many other records and accomplishments strictly through their hard work and determination.

My coaching staff and I thank each of these fine young men for their outstanding efforts and cooperation.

I, personally, want to thank the 1973 football team for making it possible for me to be "Coach of the Year". This really meant a lot to me.

Thanks, Cougars
Coach Bill Seder

Pride of Cougar Country

The Cougar Marching Band again helped the cheering at the football games in addition to entertaining at pre-game and half-time.

Through the use of new instruments such as the fornuims and multiple percussion, the band developed a rock sound in '73. The marching of the band members was also more precise which enabled the band to use more difficult maneuvers and intricate drills.

In addition to appearances at each of the football games, the band appeared at the Ohio State Fair, the Mansfield Labor Day Parade, the Ashland County Festival of Bands and the Ashland County Fair.

With the leadership of the majorettes and the help of the Cougarettes, the band had a successful marching season.

Football Victory Highlights 1973 Homecoming "1st"

For the first time in the history of Crestview, a victory was enjoyed at the November 3 Homecoming Game. The Cougars rolled to a 25-0 triumph over Crestline. It was just another in a long line of firsts for this year's football team.

Prior to the game, the Court was presented. The senior members of the band, majorettes and drill team were also honored.

The Homecoming Activities were concluded at the Annual Dance at the High School.

"Make Your Own Kind of Music"

The theme of the 1973 Sophomore Variety Show was "Make Your Own Kind of Music," which the performers really took to heart. Acts ranged from solos to pantomimes to a tap dance and even to a banjo and guitar duet. The three performances were held on October 18, 19, and 20 in the High School Little Theater. Student directors, Cindy Bisel and Kevin Kirkendall, put the talent altogether for a great show.

Can't you smile even a LITTLE, Dorothy?

Who says beauty isn't everything? It got HER a front row seat!

On your mark, get set, LICK!

Sophomore skits included Rita Spoerr and Cindy Frederick's version of the dirty old man in the park.

Karen Dyer sang "Killing Me Softly" for her contribution to the show.

Hey, Bobby! Where'd the ball go?

You wouldn't need Dick Tracy to solve THIS mystery of the missing candy!

Presenting . . . *Flowers for Algernon*

On November 15, 16, and 17 the Crestview Drama Club presented a full length play by David Rogers entitled, "Flowers for Algernon."

The play is a compelling story of Charlie Gordon, a mentally retarded man, and the strange interweaving of his life with that of Algernon, a mouse. The play delves deeply into the plight of the mentally retarded of the world. It is a different kind of play, poignant,

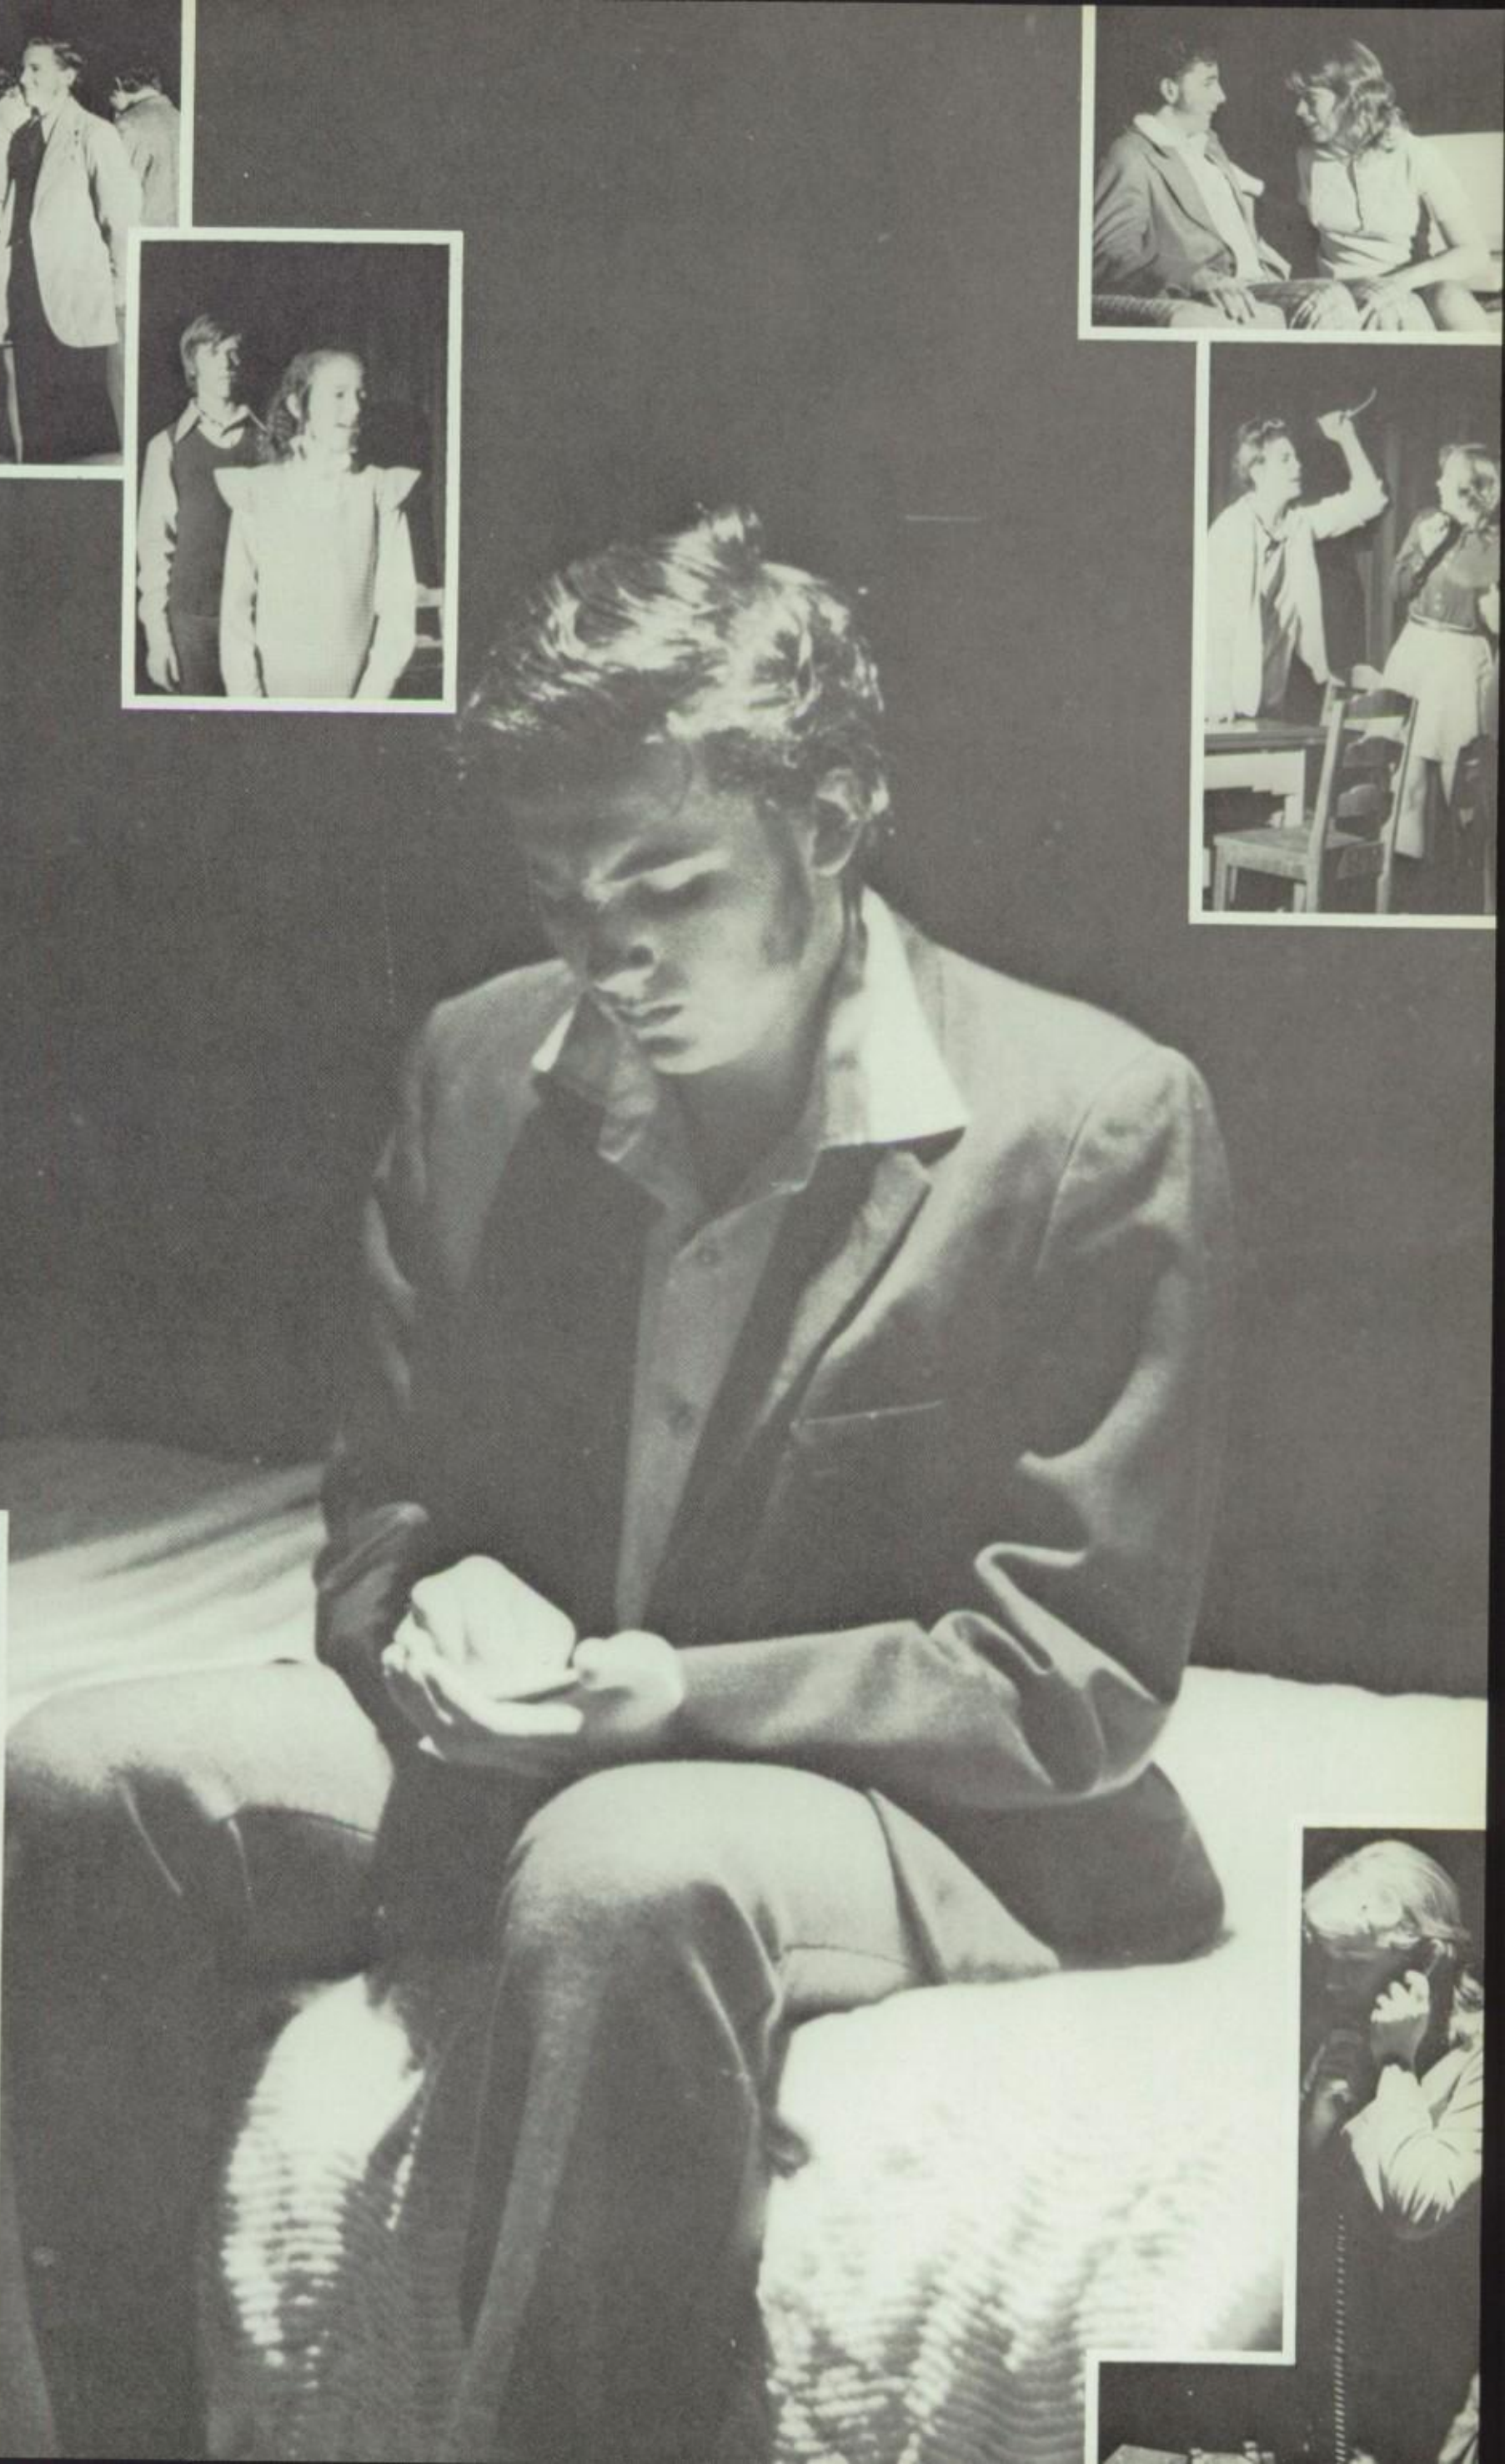

romantic, funny, and tragic, but with the hope for the indomitable spirit of man.

Charlie was played by Greg Patton, and Alice Kinnian, his teacher and later the love that his inner self wouldn't let him accept, was played by Cathy Myers. The Drama Club voted to give the profits from one night's performance to an institution for the mentally retarded.

"THE CRESCENT REVIEW" Prints the News

The 1973-74 CRESCENT REVIEW was the Crestview High School's newspaper that gave the high school students a résumé of what had been happening, what was currently in action, and what to look forward to in the future.

The newspaper was edited by Phyllis Bowser and compiled, typed, and assembled by the Office Practice Class. The newspaper staff is made up of all club and class reporters and other interested students who monthly collected and wrote up the news of general high school interest.

Kathy Showalter and Brenda Patton type stencils for a copy of the newspaper.

Editor Phyllis Bowser talks Mr. Teffner into investing in a copy of THE CRESCENT REVIEW.

Copper and black were the colors that highlighted the cover of the 1974 CRESCENT yearbook. A full-color spread was again repeated this year on the Homecoming pages for 1973.

Eric Anderson edited the book throughout the year as the staff worked hard to sell the advertising that financed so much of the production costs and then settled down to tackle the all-important job of preparing the layouts for each of the sections as the school year advanced at Crestview High School.

It is the hope of the editor, the staff, and the adviser that as each student looks at, reads and reviews the pages contained within the covers of the 1974 CRESCENT, that the 1973-74 school year at Crestview High School will again come alive both now and in later years.

This year's wrestling team ended the season with a 7-3 record, which I feel was QUITE successful for the rebuilding that had to be done this year. The team finished fourth in the Vermillion and Mansfield Tournaments. We had four wrestlers go to Districts, Dan Jarrell, Frank Poth, John Landis, and Doug Haught; and of these four, John Landis qualified for the state.

I want to thank all the wrestlers for their hard work and dedication.

Jim Tuttle, leading scorer in J.A.C.

The 1973-74 basketball team proved to be a most unusual one. It was a team that displayed considerable courage and character. This can best be exemplified by the fact that after dropping their first five games, the team fought back to a 5-8 record at one stage in the season.

It was a team that had many opportunities to turn their record around when you consider the 1-point losses (Mapleton, Hillsdale, Clear Fork), the 3 over-time games, a 3-pointer to Ontario and a 6-pointer to Loudonville, one can see that the opportunities were there.

Discipline and a strong defense were established which are the two most important factors necessary for a foundation of an up-and-coming basketball program.

Many underclassmen gained valuable varsity experience which should make next year a year to look forward to; provided that the team members employ a positive attitude, work for each other and believe that they can win everytime they take the floor.

Freshmen Continue to Make Progress

Ken Lemieux starts the game action at the tip off.

This year's freshman team compiled a 9 and 5 regular season record. This group of boys have shown CONTINUED PROGRESS since their seventh grade year. As seventh graders, they didn't win a single game; while as eighth graders, their record was 4 and 7. They still need improvement in pressure situations.

The first part of the season began on a strong note when they won their first five games, but then lost the next three. After this mid-season slump, they went on to win three of the last five regular season games.

In their first tournament game, they lost to Crestline for the second time by a score of 38 to 36.

Keep Spirit High

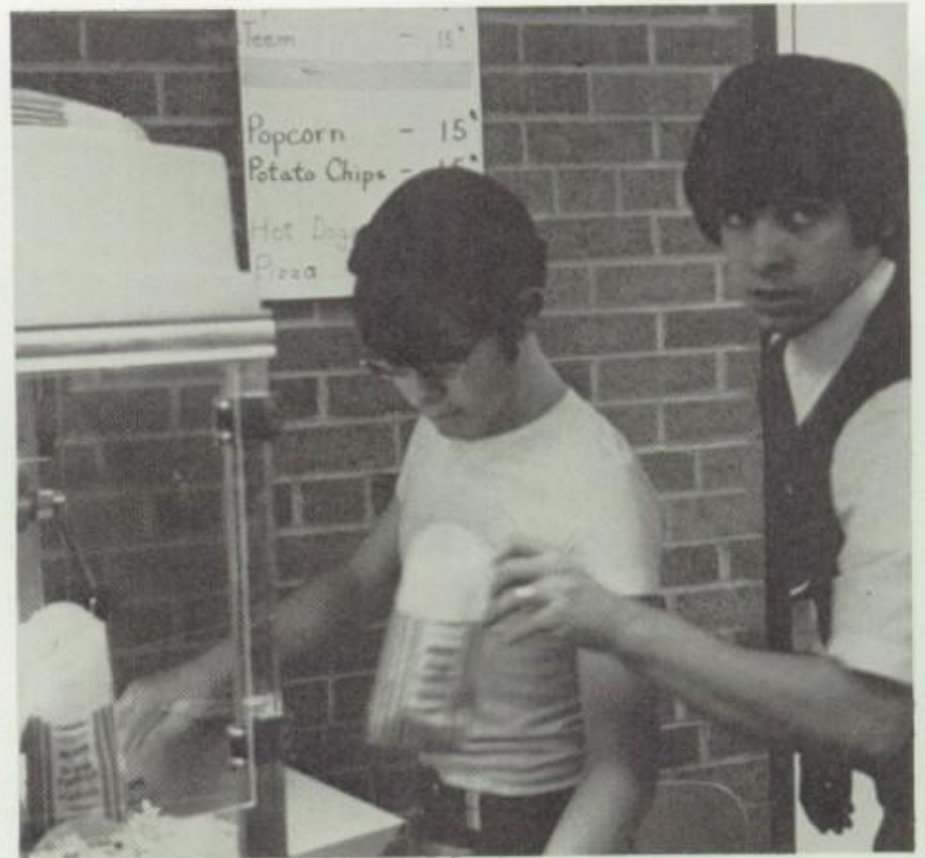

The Varsity "C" organized and ran the concession stand again this year, and very successful at keeping the Cougar crowd supplied with pizzas, pop, and candy. In addition, they sponsored the eighth-grade basketball tournament.

The Pep Club, dressed in red sweaters, had another lively year of cheering the Cougars to victory. Under the leadership of President Renee Hartsel, they showed spirit by backing the cheerleaders and the basketball teams.

The 1973-74 Cougarettas were busy, busy, busy this year. The school year began with half-time performances with the Crestview High School marching band. These shows were rewarding, in that the girls were learning the half-time shows as well as their own individual routines. They also performed with the band at the fairs and pep rallies.

After football season, the girls prepared new routines for the home basketball games. They performed during the half-time of the Varsity games.

In all the girls agreed that it was a more than exciting season. The Cougarettas were advised by Mrs. Vick Miller.

Drama Club Ends Year With Awards

Best Actor of 1973-74 - Greg Patton for his role in "Flowers for Algernon"

Best Actress of 1973-74 - Cathy Myers for her role in "Flowers for Algernon."

Spring was a very busy time for the Drama Club. This year they started an awards program for the best actor, actress, and supporting actor and actress. Nominations were sent out in one of the school newsletters so that community people as well as students and faculty could help select these outstanding actors and actresses.

The club also presented an Easter Assembly for the Student Body, which featured members of the club and the Crestview High School Chorus. Helen Bond and Sylvester Ginn narrated as the others sang to "Trumpet of our Land."

On May 5, 1974, the Club sold dessert to those attending the Annual May Day Fine Arts Festival.

This year's track team was a good blend of experienced upperclassmen and inexperienced, but energetic beginners. We had good success and a lot of fun. The seniors did a fine job of providing the leadership we needed to keep our team working together.

The coaching staff sincerely enjoyed working with every member of this team. We firmly believe that Crestview, year in and year out fields as dedicated and well-mannered team as anyone in this area, or any other. This team was an excellent example of this theory. Thanks for everything.

This year's varsity baseball team had a half successful and half unsuccessful season as the 8-8 record indicates.

We started slowly, losing our first four games; but came back strong on our next six. I believe after we lost our chance to go to District, we let down. Overall, I would say this was a disappointing season. We had many good individuals, but they didn't play up to their capabilities.

There is a good nucleus for next year; and if each one works on his weaknesses and we eliminate the errors, they could be top in the J.A.C.

The 1973-74 golf season could be considered as a rebuilding year since the team was quite young. A lack of consistent shooting proved to be the biggest problem which is characteristic of a young team that had two juniors and three sophomores playing on the varsity; while one sophomore, three freshmen, and one eighth grader manned the reserve team.

Brad Eberts' consistent shooting, being voted Most Valuable Player, and finishing second in the J.A.C. tournament highlighted the season. Jane Ramsay and Judy McAllister became the first two girls ever at Crestview to compete interscholastically with the boys.

The Junior Class Presents "A Night

The upperclassmen and their guests found themselves enjoying "A Night in New Orleans" at the 1974 Junior-Senior Prom held on Saturday, May 18 at the Crestview High School.

Sophomores dressed as southern belles and beaus greeted the guests as they entered the Prom which had a southern motif of the Steamboat Era.

Guests dined in a Creole Dining Hall on Poulet Saute a la Creole, Dixie Ham, Creole Green Beans, Hoppin John, Les Pommes do Terre New Orleans, Wild Rice and Petit Quatres.

After dining in leisure, the guests were invited to have their pictures taken in a Magnolia Garden or visit the cabin of a river boat, where games, and refreshments were available. Dancing was on the forward deck with music provided by the Dragonfly.

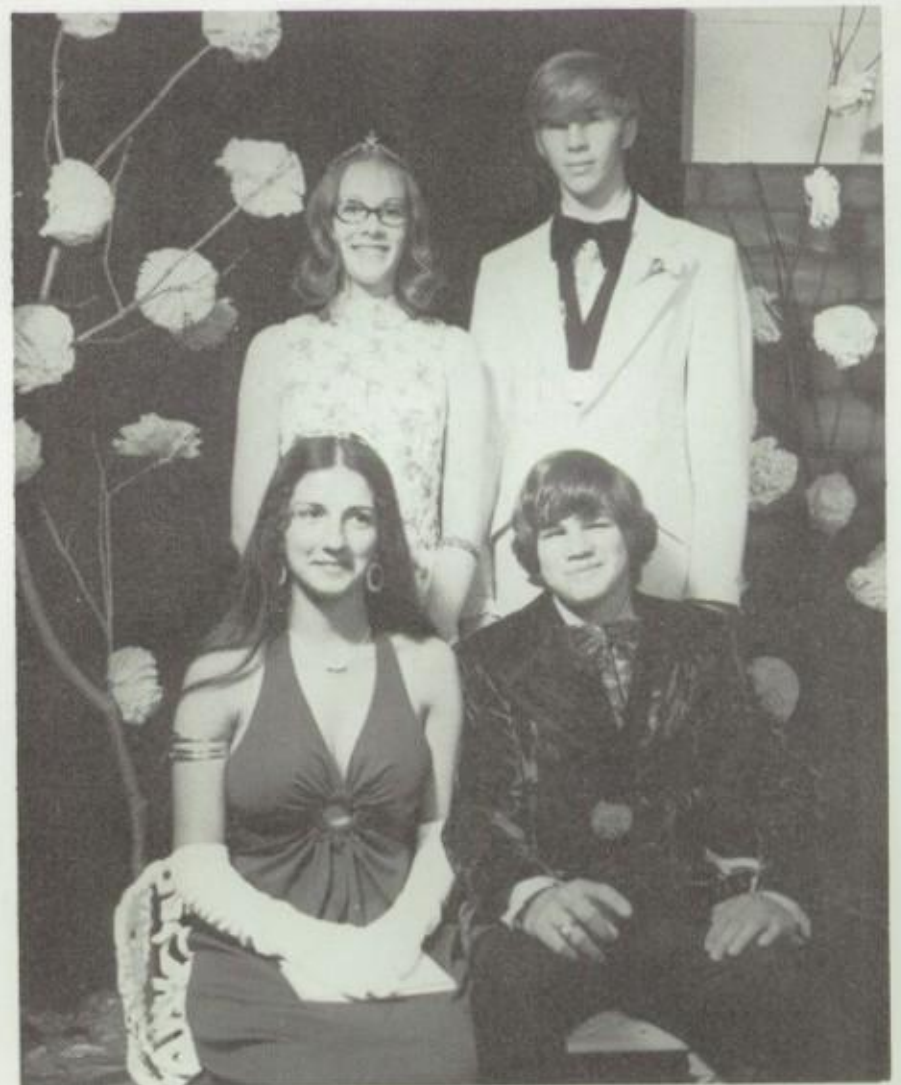

Following the Grand March, the 1974 Prom Royalty was announced with Junior Class President Carol Hulit and Senior Class President Keryl Bishop crowning Queen Jennifer Eby and King Chad McClintock, and Princess Carol Hulit and Prince Tom Brafford.

The movie "Casino Royale," was shown at the prom and at the postprom, which this year, was held at the Mansfield Y.M.C.A. where games, sports, refreshments, and dancing were enjoyed.

May the fifth was a very big day at Crestview High School. It was the day of the Fine Arts Festival. The program began with a gymnastic show done by the girls in Mrs. McClain's gym classes. Routines were performed on the uneven parallel bars, the floor, and some vaults were done on the horse.

The sixth grade band and chorus performed under the direction of Mr. Grimm and Mrs. Tegtmeier. With the high school band furnishing background music, the May Day Court was introduced. Tim Tegtmeier, president of Student Council, crowned Jackie Curry, May Day Queen and honored Jim Pfister as May Day King. The program continued with the high school chorus and band each performing and Mr. Larry Shafer conducting.

Following this, the Art Room, Industrial Arts Rooms, and the Home Ec. Rooms were open with projects completed in the various classes.

The Drama Club was kept busy with a dessert in the cafeteria and also in presenting "Werewolf?" in the Little Theater.

To draw the afternoon to a close, a recital of Chamber Music was presented, and a movie made by the Music Theory Class.

All in all, it was a very busy, but very enjoyable afternoon.

The Crestview Chapter of the National Honor Society again met the challenge of the four goals of their organization, Scholarship, Service, Leadership, and Character.

This year's officers, President Larry White, Vice President, Carol Hulit, Secretary Keryl Bishop, Treasurer Ken White, and Reporter Carol Carr, were busy with their duties in the two money-making projects that were undertaken during the 1973-74 school year. In November, a dessert was served before and after the Friday performance of the Drama Club Play, "Flowers for Algernon." March found the entire club cooking for the annual Smorgasbord that was a success for the fourth year. The fund raised by these projects will be used to purchase the honor cords worn by the senior members of the NHS at graduation, the pins for new members, and the Book Scholarship that was presented this year to Carol Carr.

Eleven new members were tapped on February 7 during the school day. February 13 found these new members and their parents enjoying a pot-luck supper with the old members, their parents, and advisors prior to a formal induction service.

Occupational Work Experience is a cooperative work-study program. Students qualified and selected for this program spend their mornings in regular classes to take their required courses for graduation, plus a related or O.W.E. class, which pertains to all types of situations concerning the world of work.

In the afternoons and evenings, the students go to their job stations; such as filling station attendants, farming, factories, stock workers in retail establishments, and restaurants. Some students have been in the program since their junior year and are working at the same job and will continue there after graduation.

ADMINISTRATION

David S. McVicker--
Local Superintendent

Henry Pittinger--Clerk

Congratulations to the Graduating Class of 1974. You have now arrived at one of the important decision-making steps in your life. To this time your life has been quite regulated by your parents, school, and in most cases, church. You are now entering the era when YOU will be responsible for directing and regulating your own life.

All of the efforts of your parents, teachers, and church provide a basis upon which you may evaluate future decisions, but in no way has your education ended. What you learn and when you learn will be in direct relation to how well you have learned and applied yourself in the past.

I only hope that recent world problems will cause you to give more serious thought to the need for cooperation than to purely self interests and pleasures.

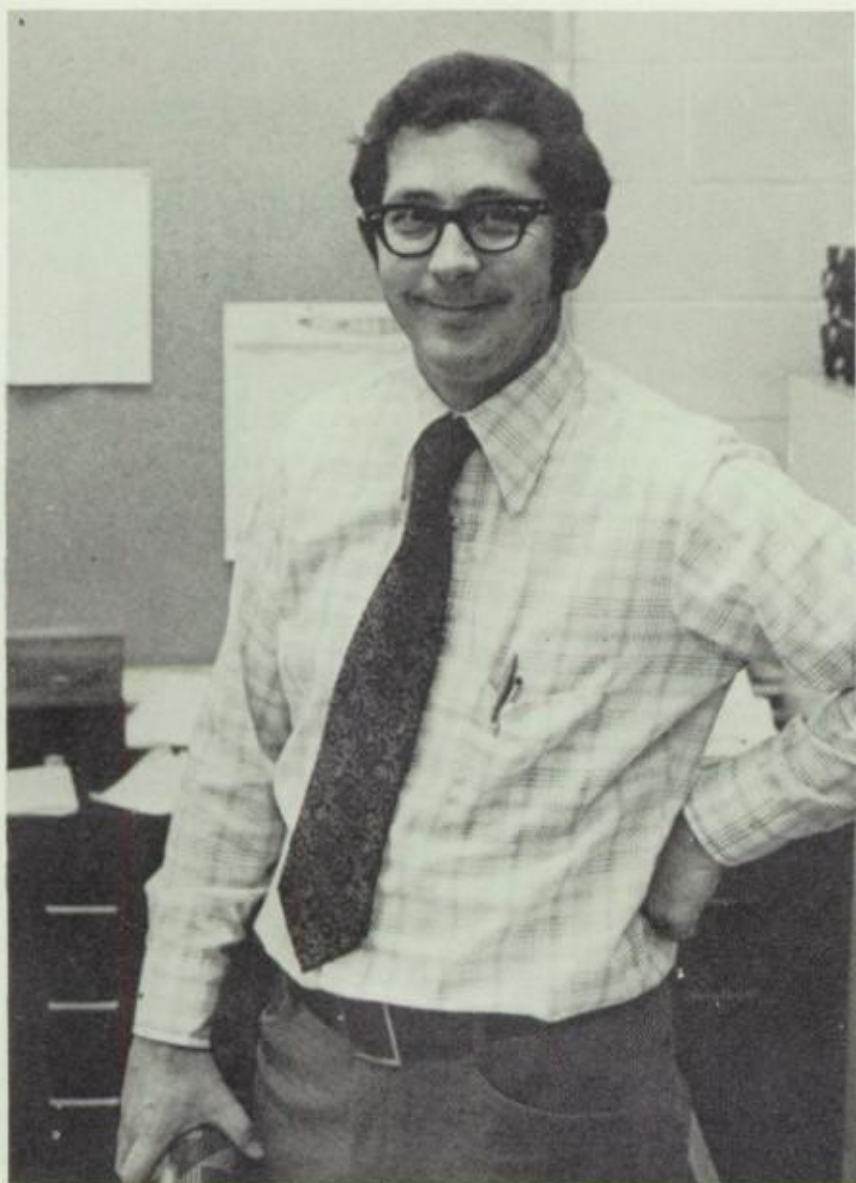

Best Wishes!

CONGRATULATIONS TO THE GRADUATING CLASS OF CRESTVIEW HIGH SCHOOL
**FROM THE 179th TACTICAL
FIGHTER GROUP OF THE OHIO
AIR NATIONAL GUARD**

**Spend a weekend
around a
hot set of wheels.**

The really hot wheels come with wings. Like our Air Guard F-100 Super Sabre jets. Slashing through the sky with a turbojet engine... and an afterburner providing more than sixteen thousand pounds of thrust. You can help move our wheels one weekend a month. Learn a skill. Get extra pay. Do something different. Help the country. See how you can move our hot wheels in the Air Guard.

We certainly hope that you're going to attend college or at least further your education, BUT if money is a problem--Then the Air National Guard is your ANSWER. Stop in or call and ask about our 3-year, part-time job program. Ask for Tommy Rollins or Terry Ingles.

INTERNATIONAL THESPIAN SOCIETY TROUPE #654

"Act well you part; there all the honor lies."

DON'T QUIT

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but have to sigh,
When care is pressing you down a bit . . .
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a fellow turns about
When he might have won, had he stuck it out
Don't give up though the pace seems slow,
You may succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man,
Often the struggler has given up
When he might have captured the victor's cup,
And learned too late when the night came down
How close he was to the golden crown.

Success is failure turned inside out,
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems afar,
So stick to the fight when you're hardest hit . . .
It's when things seem worse that you must never quit.
